## OSAKA RAPES PYRAMID HEAD

Papercraft and Template by Sascha Kunzke  
Main idea created by Anonymous

## The Story

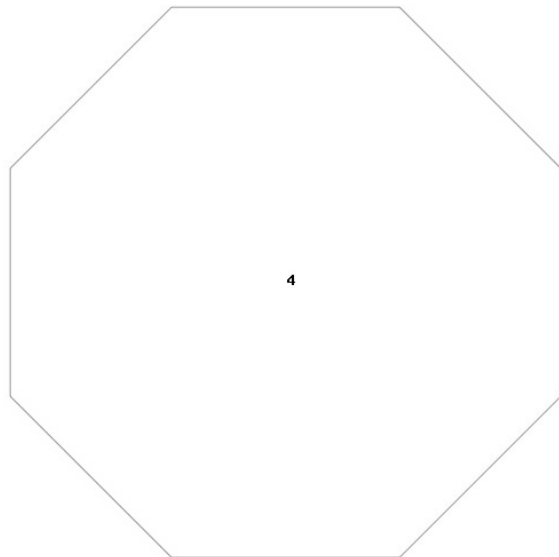

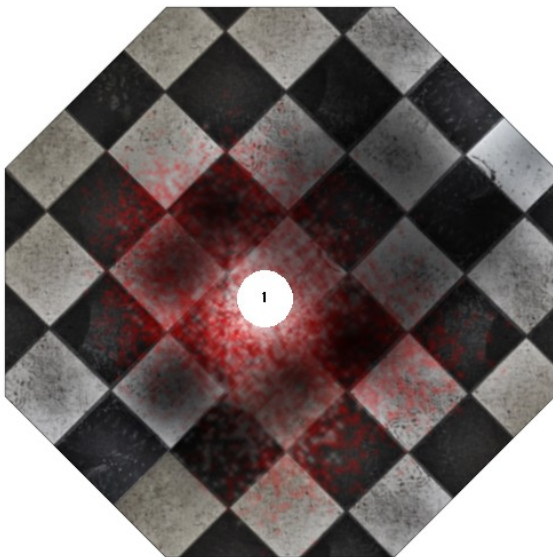

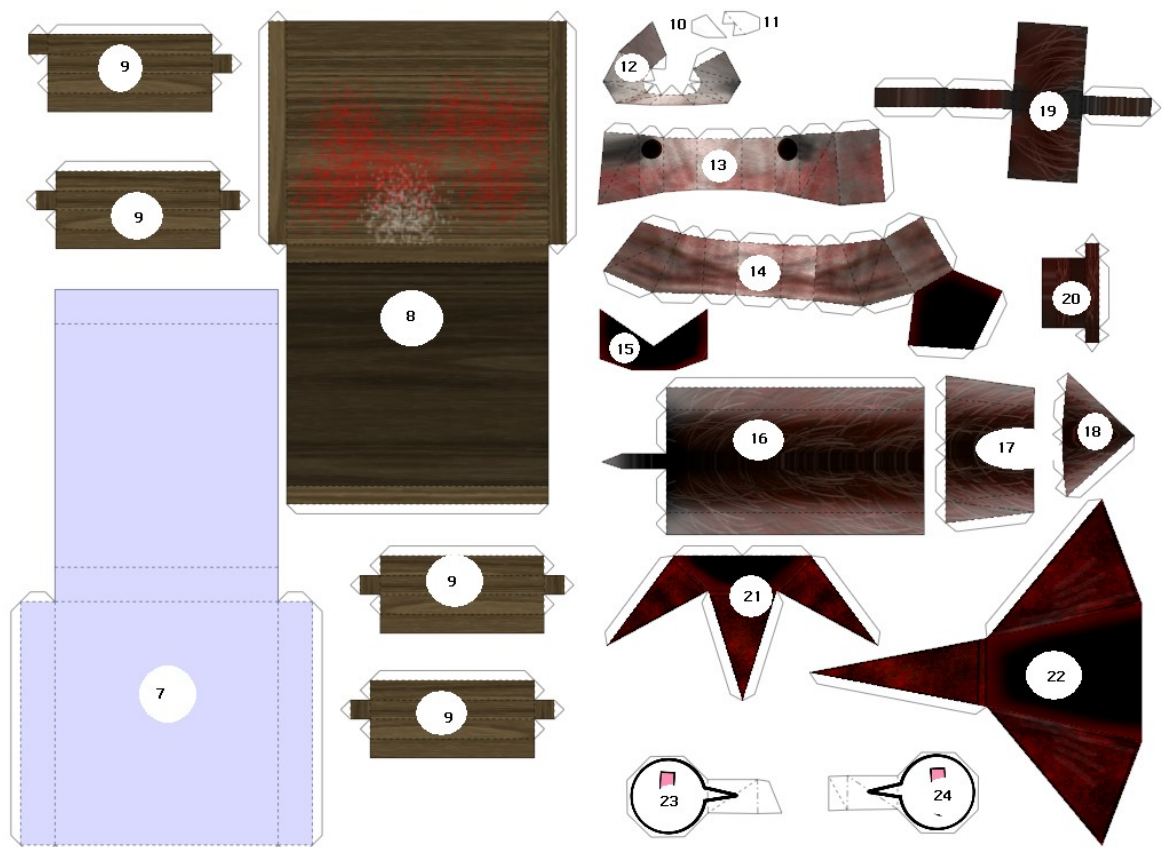

This picture was posted on /i/ (Oekaki) and was drawn by Anonymous (in early 2007). It was so hilarious that I needed to save this picture.

Later, while talking with chamoo232 about Pyramid Head, I remembered this picture and the idea was born to make a papercraft out of this thing.

The End.
